

Parent Information Night

for parents of...

Campus View Elementary

Hillcrest Elementary

Frank Hobbs Elementary

Torquay Elementary

We would like to extend an invitation to our families who are curious about the potential changes that they may see next school year at their school and across our District. As a result of the Supreme Court rulings, class sizes and the way we organize the students into the classes have changed. We would be happy to share the information with you in person at a grouping of schools information session.

Thursday June 22, 2017

6:15 - 7:00 pm Campus View School Gym

(Parking is limited and may require some to park on street or at UVic)

Please read through the attached documents to familiarize yourself with some background information on combined classes. In many cases across the district there will be a need to have learners from two grades combined into one class. Although this isn't unusual, it may be a more common practice next year to meet class composition needs.

Also included are some links to more information from other districts

Sincerely,

Mr. D Smith, Ms. C Coughlin, Ms. I Fawcett and Ms. C Harte
