

# Join the 2017 Goodlife Fitness Victoria Marathon with Team Campus View

On **Sunday, October 8<sup>th</sup> at 10:15 a.m.**, join Team Campus View fun runners in the **Goodlife Fitness Victoria Marathon Thrifty's Foods Kids Run** (1.25 km) for fun, for fitness, and in support of KidSport Victoria. By participating, you are raising awareness and donating your registration to KidSport Victoria so that *all* kids in our community are supported to play sports. The Thrifty's Foods Kids Run is a super fun event giving families a chance to come together as a team with our children, their friends, and other Campus View families to participate in the exhilaration of the Marathon. All children receive a t-shirt and entry into a draw to win 1 of 4 bikes. When they cross the finish line on the day of the fun run, they receive a medal and goodie bag, and then get to enjoy race festivities, including an inflatable obstacle course, bouncy castle, and face painting.

## Registration Information and School Challenge

Siblings age 12 and younger, including those who have graduated to middle school little siblings who haven't yet begun school are welcome, too! - **The school with the most participants registered wins \$1000 for their school.** We have won the last four years! This money goes towards various programming and equipment in our school to strengthen our children's learning opportunities. Let's join our strong, committed, and fun-loving community together again to make this year's team another success!

## Team Campus View Unites☺

The Thrifty's Foods Kids Run starts at 10:15 a.m. at Menzies just off Kingston. **Team Campus View will meet at the Legislative Building front steps at 9:30 a.m. (look for the Campus View sign) to get excited about the race with other kids and families from Campus View**, and to be a part of the team picture, before heading to the start line together. At the start line, current and former Olympians get us warmed-up to run!

## Proceeds to KidSport

All proceeds from the Thrifty's Foods Kids Run go to KidSport Greater Victoria, which raises funds locally and distributes them to children of financially disadvantaged families to assist with registration fees for sport and physical activity. Funds are allocated equally to boys and girls, and to date they have assisted with registration in a variety of sports including soccer, hockey, gymnastics, karate, lacrosse, skating, swimming, and baseball. Many of our Campus View students have been given the opportunity to play sports thanks to KidSport, therefore empowering opportunities in our own community.
