

WHEN A STUDENT IS SICK OR GOES HOME FROM SCHOOL DUE TO ILLNESS

The following information is taken directly from our School District Covid-19 Exposure Control Plan.

- Parents or caregivers must pick up their child as soon as possible if they are notified their child is ill.
- Students experiencing symptoms of illness should not return to school until they have been assessed by a health-care professional to exclude COVID-19 or other infectious diseases AND their symptoms have resolved. Parents/Caregivers are expected to follow advice from their healthcare practitioners to determine when it is safe to return to school. (A healthcare professional means a doctor, or 811).
- Please contact the office once you have talked with a medical professional and let us know about your expected return to school.
- Please contact the office if your expected return changes due to advice from a medical professional.
